

Press Release

On August 24, 2015, Wadena County Sheriff's Office executed a search warrant at 11441 Leaf River Road in Leaf River Township in Wadena County. The nature of the search warrant was to look for human remains at said location. Contrary to erroneous media reports, the human remains being sought do not involve Jacob Wetterling or Carla Anderson. Numerous bone fragments were found and have been sent in for analysis concerning the origin of the items found. This is an active and ongoing investigation and as such, pursuant to Minnesota Statutes prohibiting information disclosure of ongoing investigations, no further comments will be made at this time.
