

THIS PRESS RELEASE IS BEING SENT OUT ON BEHALF OF THE MENAHGA POLICE DEPARTMENT. PLEASE CONTACT THE MENAHGA POLICE DEPARTMENT FOR ANY FURTHER QUESTIONS. THANKS.

The Menahga Police Department, Wadena County Sheriff's Office and Minnesota Bureau of Criminal Apprehension have been involved in the investigation of the death of Kelly Marie Lund of Detroit Lakes, who was found deceased at a Menahga residence on July 12, 2014.

The investigative information was sent to the Wadena County Attorney's Office for review. The Wadena County Attorney's Office has concluded that the investigation did not find evidence that would support criminal charges. There was also insufficient information for the medical examiner to determine the manner of death.

The investigation will remain open as the manner of her death remains undetermined by the Ramsey County Medical Examiner. Anyone with additional information about Ms. Lund's death is encouraged to contact the Menahga Police Department, Wadena County Sheriff's Office or the BCA.
