Press release for fatal fire in Wadena County this morning....Thank you to those that called in for the press release for your patients and as I advised some of you today, it is important for tragic cases like this to give the family time to notify other family members and grieve in these incidents before notifying the general public, which I also know is very important on your end to do as well...Have a good weekend and names of the victims will be released upon autopsy being completed...Mike

Wadena County Sheriff Michael D. Carr released today that his office is currently investigating a fatal fire involving two adult victims that occurred in the early morning hours of February 14th in Wadena Township. The fire was reported to the Wadena County Sheriff's Office shortly before 4:00 AM and upon the arrival of law enforcement, a camper trailer was found fully engulfed in fire. Victim information is being withheld at this time pending notification of family. The investigation will continue into today in conjunction with the MN State Fire Marshal's Office, the Wadena Fire Department and the Lake Region Health Care. More information will be released when it is available. Also assisting on scene was the Wadena Police Department and Madsen's Towing.
