Updated Press Release 02/18/14

Wadena County Sheriff Michael D. Carr is reporting that the cause of death in the fire that claimed the lives of two rural Wadena residents on the morning of February 14th, 2014 was carbon monoxide poisoning. Through investigation, it was determined that the fire started in the front of the camper where two additional heat sources were located. Also lost in the fire was the couple's dog and two cats.
