Working For You. Working With You.

On Friday February 6<sup>th</sup> at approximately 5:30pm The Wadena County Sheriff's Office received a report of a grass fire in Section 18 of Lyons township. Upon arrival of emergency personnel it was found that the fire was permitted, but residents became concerned when the fire began to grow and was no longer under their control. Sebeka Fire Department was dispatched to the scene and was able to contain the fire. The Wadena County Sheriff's Office wants to remind all residents that the risk for grass fires remains high with little snow cover and to use extreme caution when burning.
