

## Wadena County Employees Raise Funds for United Way for Wadena County

*Event Planners Kim Schoeder & Janet Kern*

Wadena County Employees recently enjoyed a lunchbreak filled with food, fun, and fundraising!

Many employees were on hand Friday, September 15, 2017, to enjoy a picnic lunch and games as the first of many events to help raise funds for United Way for Wadena County.

With food donations from staff of hot dogs and beans and a generous donation from Shearer's in Perham of Barrel O'Fun potato chips, employees

dined and then played games including Bean Bags, TP Toss, Connect Four, and Golf, with contributions being made throughout the event to the United Way for Wadena County. Proceeds from the event go directly to help families in Wadena County. Employees could make a direct contribution or could choose to allow a payroll deduction each pay period to become a continuous donor to the United Way.

*United Way Representatives*

Representatives from United Way were also on hand to provide information on the program and how funds will be used in Wadena County to help families in need. Although participation was not as great as anticipated, organizers are

hopeful that, with more awareness, numbers at events will increase and Wadena County Employees will succeed in creating a program that will benefit families within the County they serve now and into the future.
