Comments or Filing Statement (use this space only)

Utilizing my 29 years of experience working in township government I will bring timely decision making, common-sense policies, and responsible spending to the Wadena County Board of Commissioners. In the midst of this global pandemic we are facing many unknowns for the future, but we need commissioners who are dedicated to making our county better despite the challenges. I believe the current board of commissioners drag their feet by forming committee after committee instead of making decisions in a timely manner. If elected, I will work to move Wadena County forward and serve its citizens in the best way possible.

I certify that the information provided on this form is true.
