

2019 Annual Shoreland Activities Survey

Directions: Please answer the following questions for your county's 2019 activities within the shoreland area (1000 feet from lakes and 300 feet from rivers or the extent of the floodplain, whichever is greater).

This survey is six pages in length. All questions are required unless otherwise noted. You will not be able to move onto the next page until all required questions are answered.

There is an option to "save" your survey, but clicking this button does not submit your survey to the DNR.

You must click "submit" on the last page of the survey in order for the DNR to receive your responses.

If you would like a copy of your complete responses for your records, please print your survey before you submit. A PDF copy of your survey responses will be sent to you when the survey is closed.

To receive a shoreland grant in 2020, this form must be completed by **February 1, 2020**.
