

When property taxes are overpaid by \$20.00 or less, the overpaid amount is receipted into the Wadena County Tax and Penalty fund 82 and becomes part of the settlement. If there is a shortage on a tax payment of less than \$1.00 on a parcel that has penalty due, the penalty amount is adjusted. If a shortage occurs on the original tax amount that was due, the balance is billed regardless of the amount.
